### Class Description:

Students will learn to create geometric shapes using increasing patterns for peyote stitch: the triangle, square, pentagon (five-sided) and hexagon (six-sided), then go on to form these into three-dimensional shapes such as pyramids, cubes and other shapes including the Trilliums Necklace.

### Supplies:

-Small assortment of cylinder beads (Toho Treasures or Aikos or Miyuki Delicas, size 11) minimum of two colors, non-matte preferred.  
-Nylon thread, scissors, and your other favorite beading equipment.

Instructor will bring an assortment of about 100 colors of cylinder beads.
